Bright Beginners will be closed Monday, May 27th.

Now that warmer weather is upon us, please remember; no flip flops. (for safety reasons)

This is also a good time to make sure that your child's extra clothes are weather appropriate.

Sun block and bug spray

If you would like for you child to have sunblock or bug repellant at recess; please bring the lotion or spray you want applied. All sunblock and bug spray must be labeled with your child's name and a permission slip must be on file.

Schoolagers!

Bright Beginners offers a summer program for school age children who have completed kindergarten—12 years old.

A few of our weekly themes include:

- STEM challenges
- Edible Engineering
- Craft and Create fun
- Water Balloons

Bright Beginners Closing Program

Classes T3, T5, P7, P9, P11, P2, P4, P6 will be participating in our closing program, held Thursday, May 23rd at 6:00 in the gym! Please drop your child off in his/her classroom by 5:45pm.

After the Closing program is over preschool families can enjoy refreshments in the Big Room. (Classes T3, T5, P7, P9 and P11)

Pre-K graduation will be held immediately after the closing program , Pre-K families will have refreshments in the Gym following the graduation ceremony.

Spotlight on T3

In our classroom we are learning many different things including the alphabet, letter, number and shape recognition. We are exploring our world in English and Spanish! The children are very eager to learn and ask lots of question. We are introducing them to Spanish vocabulary, learning how to say words like "arbol" and sentiete" They have really enjoyed the color mixing activities we have done and love working with play-doh. We have also been talking about what it means to be a helpful friend! The class is excited to learn about ocean animals in the up coming weeks!
