New Sunday Bible Classes

Classes held July 22 - August 27 at 9:30am

Fire On the Mountain

When the Israelites left Egypt, they were finally free from persecution, oppression and free to worship their own God. He showed them how to live together in a way that honored Him and blessed their life. The video teaching by Ray Vander Laan and follow up group discussion helps us follow Jesus in practical ways today. Led by Pastors Steve and Brad in 201.

The Briarpatch Gospel

Hasn't Jesus called us into the thorns and thistles with Him to love what we find there? What if we had the courage to follow Him into the briar patch and discover life as we were always meant to live it? This class presents a radical message of grace, one that won't allow you to remain comfortable merely sitting in a church pew. Led by Brent Neal in 202.

The Art of Marriage

The Art of Marriage weaves together biblically-centered teaching, real-life stories, humorous vignettes and more to portray both the challenges and the beauty of God's design. Video lessons led by nationally known couples who have struggled and overcome and now openly and honestly share their stories of pain, loss, forgiveness and grace. Led by Michael and Denise Lovelace in 102/103.

Worship: Why do we do it? Part II

We attend worship on Sunday, read our Bibles and sing songs, but why do we do it? This class will study the why and how of worship, wrestle with some tough questions regarding worship, examine music along with studying the liturgy and what that means for us on a weekly basis. Led by Craig Harmann and Pat Durham in 101.

August Workshop

Free Neighborhood Workshop: Saturday, August 4th at 9am "Understanding Real Estate for Buyers and Sellers"
