New Adult Sunday Bible Classes

Begin today at 9:30am

Fire On the Mountain

When the Israelites left Egypt, they were finally free from persecution, oppression and free to worship their own God. He showed them how to live together in a way that honored Him and blessed their life. The video teaching by Ray Vander Laan and follow up group discussion helps us follow Jesus in practical ways today. *Led by Pastors Steve and Brad in 201.*

The Briarpatch Gospel

Hasn't Jesus called us into the thorns and thistles with Him to love what we find there? What if we had the courage to follow Him into the briar patch and discover life as we were always meant to live it? This class presents a radical message of grace, one that won't allow you to remain comfortable merely sitting in a church pew. *Led by Brent Neal in 203.*

The Art of Marriage

The Art of Marriage weaves together biblically-centered teaching, real-life stories, humorous vignettes and more to portray both the challenges and the beauty of God's design. Video lessons led by nationally known couples who have struggled and overcome and now openly and honestly share their stories of pain, loss, forgiveness and grace. *Led by Michael and Denise Lovelace in 102/103.*

Worship: Why do we do it?

We attend worship on Sunday, read our Bibles and sing songs, but why do we do it? This class will study the why and how of worship, wrestle with some tough questions regarding worship, examine music along with studying the liturgy and what that means for us on a weekly basis. *Led by Craig Harmann and Pat Durham in 101.*

Back to School Drive

In Texas, it's that seasonal surge known as "back to school"! While many kids get to pick out just the right lunch boxes, other children are wondering if they will get any supplies at all. Once again, St. Timothy will sponsor a school supply drive for the benefit of Manantiales de Vida and LINC.

Supply Gathering Days: Sundays, August 5th - August 19th

What do kids need?

Manila paper (9x12 and 12x18)
Notebook paper (wide ruled)
Composition and Spiral notebooks
Construction paper
