January Newsletter

Here at Bright Beginners we are welcoming 2018 with excitement and anticipation! We look forward to watching your children grow and learn each day. In the next few months we will celebrate Lutheran schools, prepare for our Art Auction and other upcoming events.

Calendar Correction

Movie Night has been rescheduled from January 19th to February 9th due to renovations in the Gym. Hotdogs, popcorn and other snacks will be available! We will begin serving food at 5:45, the movie will start at 6:00 in the Gym.

Thank you for helping us gather items for Small Steps Nurturing Center. The items you donated went to families who are in need. Bright Beginners donated over 20 laundry baskets that were full of food, blankets, pillows and other necessities to help get through these cold months. Thank you for showing the love of Jesus to those in need.

National Lutheran Schools Week

Provides schools with the public opportunity to proclaim and celebrate God's work among us.

22nd—Sports Team Day

23rd—Pajama Day

24th—College Day

25th—Hat Day

26th—Super Hero Day

No surprise here! It's been cold! We have several jackets and a few other items in the lost and found bucket at the front of the school. Please check the bucket to make sure your child isn't missing anything. Anything left over after January 19th will be donated.

Spotlight on T5

We have been having a great time in T5 this year. Some of our favorite activities include science experiments, music and movement and art. Our two favorite science lessons taught the children about rain and sinking vs floating. We have also created dinosaur fossils, played in the snow, worked in the sensory bin and painted with cars. The kids are always excited to learn about colors, letters, shapes and counting though songs. Each of our children has an amazing mind and we feel so blessed to have the opportunity to teach them.

Ms. Melissa and Ms. Crystal
