# May 2018 Newsletter

Congratulations to P4 for winning the Boxtop competition! The class will have a pizza party for lunch on May 10th. Together we collected over 600 Boxtops. This is a great way for our school to earn money, each Boxtop is worth \$.10. Families can turn in Boxtops any time during the year, we always have a Boxtop collection bin at the front of the school and in the infant building. Thank you for helping our collection efforts!

Join us on May 11th for Muffins with Mom! The Big room will be set up with tables and chairs where the children can treat their moms to a muffin and a surprise. Muffins will be available from 6:30am to 9:00am and children should be dropped off into their classrooms once they are done eating muffins.

**B**e sure to check out the lost and found bucket at the front of the school. There are still several jackets that remain unclaimed.

**N**ow is also a good time to check on your child's extra clothes. Please make sure they have clothes that appropriate for warm weather along with additional under garments.

# Spotlight on T1

Our friends in T1 have had a great time learning about their colors while using their fine and gross motor skills. They love exploring new ways to use these skills by playing color-toss, color hop scotch and even baking. We use all types of fun and new ways to keep our kids engaged and ready to learn what's next.

Ms. Na'Che't and Mrs. Karen
