## St. Timothy Lutheran Church

### Sunday Worship Times

8:00 Traditional

10:45 Contemporary Worship

9:30 Sunday School and Adult bible  
Study

### Pit Stop Wednesdays

### ReZooms September 12th!

Pit Stop is a time to refuel during your crazy busy week. Eat dinner together as a family then the fun begins for every age! Adult Bible studies, Choir, youth groups – oh my! Dinner starts at 5:45pm and classes and childcare begin at 6:45pm. Visit [stlhouston.org](http://stlhouston.org) for more information.

## September Newsletter

**Thank you to all the families who joined us for our Popsicle and play event! It was so nice getting to spend time with our Bright Beginners families and the kids had a blast.**

The Houston SPCA is coming to visit us on Thursday September 13th to teach the children about pets and animal safety .

St. Timothy partners with LINC to help supply churches and surrounding communities with

food distribution as a way to share Christ and His goodness with those who are in need. LINC volunteers will be in the St. Timothy parking lot on September 23rd until 2:00pm to take food and paper good donations. Look for the LINC trailer in the parking lot.

- Please remember to check your child's mailbox at the front of the school. Your child's work and important information will be placed in there.
- Remember to label everything your child brings to school including extra clothes.
- Please follow our Facebook page, it will have reminders about upcoming events and pictures

# Spotlight on P4

In the words of Pete the Cat, “it’s all good,” and our class had embodied this quote, considering how difficult it can be starting a new school year. We have become fast friends and without hiccup breezed through routines and those sometimes uncomfortable first encounters. We have learned many new songs which engage our whole body and help us to remember new concepts. Our class also has a strong focus on sharing information and ideas in circle time and do so through discussion questions, letter of the week show and tell, graphing, recalling learned material and more. We, as teachers, are so excited for what’s in store, especially with the quickly approaching fall season. In September, our thematic focus will be on apples and pumpkins. We will learn about the pumpkin and apple life cycle, harvesting, and fruit parts. We have incorporated many fun, hands-on learning activities to further engage our interest and senses, like opening a pumpkin and a cooking project. We are looking forward to a fun and eventful school year!

- Ms. Melissa and Ms.Carla
