# April Newsletter

We hope you had a happy Easter! He is Risen! With the new month comes some beautiful weather and the children are enjoying our new outdoor kitchen. Below are a few reminders and important dates for the Book Fair, picture day and Kids Sunday at church! If you have not done so, please remember to turn in your Early Registration form for next school year. There is a stack of registration forms by the sign in binder at the front of the school.

## Picture Day

Spring pictures will be taken April 24th and 25th. In your child's box is a form asking which background you want the photographer to use. Please write your child's name on the form and fill in the necessary information. Return the form by April 23rd so that we can make sure the photographer has what he needs. Below is a list stating who takes their picture when.

April 24th: Classes I1, I2, I3, I8, T10, T1 and T9. Children who have siblings at school will take both individual and sibling pictures on this day.

April 25th: Classes T3, T5, T7, T11, P2, P4, P6 and PreK Graduation pictures!!

Children need to arrive in and be able to stay in the clothes you would like their picture to be taken in. Teachers are not able to change the children before or after picture are taken.

If your child does not attend school on the days his or her class is scheduled they will have their picture taken on the other picture day.

## Kids Sunday!!

Mark your calendars for Sunday April 29th. The children will have the opportunity to try a new role out in the church. Children from Bright Beginners will be helping with worship through music. The children will be singing a song during service. Look for more information in your child's mailbox. Children can make a difference!!

## Boxtop Competition!

This month we will be having a Boxtop collection competition! Every Boxtop clipping earns us \$.10, we earned over \$800 last year! The class to collect the most box tops will win a popsicle party! You can pick up a collection sheet at the front by the sign in binder. Boxtops are due by Friday April 20th.

# Spotlight on P7

In P7, we have had a lot of fun learning about the world around us. Some of the most enjoyed activities have been cooking, participating in a tasting experiment and playing in actual snow. The children also like to play in the sensory bin, create in the art center, and play with playdough. The children are always excited to sing and dance during music time and our favorite song to dance to is “Tooty Ta”. Ms. Alicia and I feel truly blessed to teach these children each day.

Ms. Sara and Ms. Alicia
