# November Newsletter

Please join us for our annual Thanksgiving Feast at 11:00 on Thursday, November 15th. Children in classes T1, T3, T5, P7, P9, P11, P2, P4, and P6 will be escorted to the gym for a traditional Thanksgiving meal. Parents, family members and friends are invited to join us. All the classes (Except T1) will sing a thanksgiving song before sitting at the tables for lunch.

We ask that all visitors find a seat in the gym and wait for the children to arrive. An RSVP form will be in your child's mailbox soon. Please fill it out and return it by November 12th.

Now that the weather is finally cooling off many children are bringing jackets to school. Please be sure to label your child's jacket and all other belongings. We try our best to keep the jackets organized but the children often take them off while running around on the playground.

### The Healthy Lunchbox

The Healthy Lunch Box is a catering company that delivers lunches to us daily. Parents look up the menu on line and decide what lunch they want for their child. This has been an easy lunch option for busy families!

Children who attend M/W/F and  
T/Th will not have class  
November 19-21st.

# Spotlight on P6

The children in class P6 have been involved in so many wonderful experiences this year so far! On top of all the fun hands-on learning, they have learned many life and social skills by interacting with one another! They have learned how to work together to make exceptional teams during group activities and games, they have learned the importance of perseverance and believing in themselves, and they have been positively engaged in the understanding and spreading of God's great Love! We are excelling daily in our academics, and are constantly getting ready for Kindergarten with much needed confidence and loving support for one another!
