If you bid on but have not paid for your art please stop by the front office and we will be happy to help you.

Art on the counter in the school lobby is available for purchase! Please check it out.

Thank you for your continued and faithful support!

Spotlight on P11

P11 has been having fun learning and playing in centers. Everyday we work on the days of the week, letter sounds and more. We practice our fine motor skills by working with playdoh and using tongs. The children really enjoy the classroom jobs that we pick every morning which is a great way to teach the kids ownership and helps create class unity. We are also looking forward to Dr.Seuss week where we will be making silly snacks and silly hats!
