Earn History

God has done incredible work in the lives of His people throughout the centuries. Before the age of social media, and news going viral, or people became internet and YouTube stars, God called young men and women who made an impact in their world and for His Kingdom. Join us each week as we learn from the faith, courage, and obedience of these young men and women of faith.

Director of Discipleship ~ Elizabeth Leitko

St. Timothy proudly announces Elizabeth Leitko as our new Director of Discipleship. She will replace Gloria Ruppel who retired on June 2. Elizabeth will join our staff and be commissioned on Sunday, July 28. She is highly gifted and passionate about missions, meeting and connecting people and building relationships. Elizabeth will oversee our new member ministry, our small group ministry, local and overseas missions, women's ministry, and assist with other areas of spiritual growth and discipleship. Please see Elizabeth's personal biography below:

I have been a part of the church since I was born; growing up Baptist and then joining the Lutheran Church after marriage. My parents joined my aunt and uncle when I was 4 and planted a church close to our home. It was a family affair. My mom played the piano, my dad led the singing, and my uncle preached. Our entire life was church. It was my place of comfort - it was my home. I remember the moment I realized I desperately needed Jesus and wanted to do nothing more than follow Him. I spent many summers on mission trips, youth conferences and discipleship camps. I met my husband, Mark, in high school. We dated for four years and have been married for twelve. After high school I graduated from the University of Houston - majoring in Elementary Education, and taught for twelve years. Mark and I have 2 boys, Luke (10) and Beau (7).

My personal motto is "Life is Hard, but God is so very Faithful". I wish I could say that everything in my life has been easy street, but like most people's lives, that's not how it goes. I have had many hills and valleys in my short time on earth and would like to think that each valley has made the hill that much sweeter. It is my personal desire to use what is in my hand, my talents and my gifts, to serve God, the people of St. Timothy, and the community, To Follow Jesus and Make a Difference. I have a passion for connecting people, missions, teaching, listening, and leading.
