It's Fire Safety Month!

October 7th at 10:00 members of the Cy-Fair Fire Department will come speak to the children about fire safety. This is a great time to make a fire safety plan with your family!

Halloween class parties will be held on Thursday, October 31st. Children are welcome to wear costumes. Please do not send any weapons or accessories.

The children will participate in a costume parade at 9:15 and we would love for you to come and watch! They will gather goodies during the parade and start their class party as they return to their classroom.

Sign up sheets and information will be hanging up outside your child's classroom soon!

COUNT YOUR BLESSINGS: A TRICK-OR-TREAT FESTIVAL

SUNDAY OCTOBER 27TH 4:00-6:00 P.M.

Kids of all ages are invited to join us at St. Timothy for an afternoon of fun! This year our Trick-or-Treat Festival will showcase all the blessings God has given us – through games, crafts, tasty treats and of course – CANDY!

We will have fun crafts, crazy games, bouncin' bounce houses, delicious food, and much more. The event is absolutely FREE, with a minimal charge for food and refreshments. Invite your friends and family! Through all the fun we'll show everyone that we can thank Him who has blessed us with the greatest gift – new life in Jesus!

We hope you will be able to join us!

Pumpkins and Story Time

This year there will not be a pumpkin patch on campus but we plan to continue our tradition! On October 24th the children will gather together to hear how carving a pumpkin is similar to how God cleans out all of the yucky stuff in us and gives a light so that we can shine for Him! Each child will get a pumpkin to keep!

Classroom Spotlight: T1

In T1 we have been learning many different things including the alphabet, numbers, colors and shape recognition. We are exploring our world in English, Spanish and American Sign Language through our wonderful curriculum, Frog Street. The children have enjoyed our Nursery Rhyme month and are looking forward to learning about family and homes this month. We are excited about what a great year we are going to have in our class!

- Mrs. Karen G. and Mrs. Crystal

Classroom Spotlight:T8

Our children in T8 have been working on their gross motor skills by climbing, dancing and playing with balls. They have also been developing their fine motor skills using linking toys, puzzles and playdoh. Our class is building their skills for independence through learning to clean up our toys and practicing our daily routines. We have been enjoying our weekly music classes and Chapel time where we get to practice self expression and experience God's love for us!

- Mrs. Karen E.
