# Classroom Spotlight

## P4

Our school year has been off to a great start in the Pete the Cat Class! We have been rocking our school shoes learning new routines, songs, and getting to know each other in circle time through questions, graphs, and our all about me pages. This month we will be learning about the farm. We have lots of hands-on activities planned to reinforce our learning and engage all of our senses. We will shuck corn, make ice cream, and "milk a cow." We are looking forward to a memorable year in pre-k!
