- Saturday morning Men's Study from 7-8 a.m.

Art Auction!

Bright Beginners annual Art Auction and Spaghetti Dinner will be held March 6th at 6:00 p.m. in the Life Center. This is our one fundraiser for the year. The money raised is used to enhance our program above and beyond what the budget allows. Tickets will be available for purchase in your child's classroom soon. The class to pre-sale the most tickets will win a pizza and bounce house party! Be sure to mark your calendars and invite friends and family. This is always a fun event for adults and children!

Valentine's Day Parties

Class parties will be held on Friday, February 14th starting at 9:15 in chapel. Be on the look-out for sign up sheets hanging outside your child's classroom!

**GOTEXAN
DAY**

Who doesn't like dressing up like a cowboy or cowgirl? Show your western pride by dressing up with us on Friday, February 28th!

Thank you so much for your generosity! Because of you, 15 students from Small Steps Nurturing Center were blessed with 4 gifts each on Christmas morning.

Because of your flexibility, our teachers were able to attend an early childhood conference with 800 attendees. The time spent collaborating with other educators will help make this an even better school for your children!

Classroom Spotlight: T5

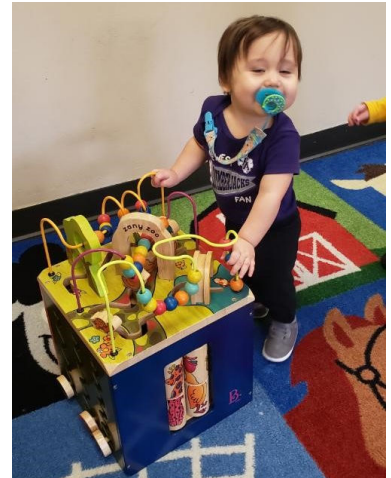

We have been having a great time together this year and it seems to have flown by! Our class enjoys painting, read-alouds, bible stories, science experiments, and crafts. So far this school year we have learned about the story of Noah's Ark while also experimenting with density (What sinks? What floats?), learned about volume in the sensory bin and sand box, dug up dinosaur bones, and experimented with "magic milk!" We love learning the letter of the week with our letter bucket full of items that begin with the assigned letter. The children are making great progress in learning their letters, numbers,

Classroom Spotlight: I2

Our toddlers in Infant 2 are having so much fun learning! During circle time we read, sing and practice new vocabulary. They love to listen to stories and make animal sounds! We are introducing five piece puzzles and working on problem solving to determine
