Curriculum Spotlight: Language and Literacy

What do you feel? These children are reaching into a box to feel what is inside. Then they used their language skills to describe what they felt. Some of their responses were stringy, stretchy, bumpy, cold and smooth. Their teacher wrote down the words that they said which allows them to see their words in print! What a fun sensory activity that also teaches language and literacy skills!

Valentine's Day Parties

Class parties will be held on
Friday, February 12th. Be on
the look-out for sign up
sheets on Shutterfly or
in your email.

**GOTEXAN
DAY**

Its time to get your
boots and jeans
ready! Show your
Texas pride by
dressing up with us on
Friday, February 26th!

Colors, Art, Science and More!

We love activities that cross many different learning goals! These children are learning color recognition as their teacher names the colors they use. They are experiencing

science as they observe colors
being mixed and change to a new
color. They are also creating art
while they develop stronger fine
motor skills as they hold and
move the paint brush.

Classroom Spotlight: T5

We have come a long way this year in T5 and what a wonderful school year it has been for us! During circle time, we have learned to sit on our designated spots where we can learn about letters, numbers, days of the week, shapes, and colors. Some of our favorite things to do are painting, Bible lessons, crafts, Science, singing and dancing along with music that aligns with what we are learning, and read-alouds. Our favorite ways to learn about letters and numbers are with our letter bucket, number basket and songs. Our Bible lessons are always taught in a fun and interactive way that keeps us excited to learn about Jesus! It is exciting to look back and witness the great strides we have made in our language development, social skills, independence, and self-help skills. We love to watch our friends grow and learn and are looking forward to finding new and engaging ways to teach them in the new year!

Upcoming Dates to Remember

Feb. 12—Valentine's Day Parties
Feb. 15—No Class for students following the Cy-Fair Schedule
Feb. 26—Go Texan Day
March 15-19—No class for students who follow the Cy-Fair schedule
March 29-1— Virtual Book Fair
March 28—Easter Event at St. Timothy

Thank you for the Lysol donations we have received so far! We appreciate you!
