

Parents,

This year our class will be using a Shutterfly share site. This is a private class website that we can use to share photos and important information about activities at school and in our classroom. Only parents who join the share site will have access to this account. Your child's teacher is the manager of this site, every time it is updated a notification will be sent out to you.

If you wish to be a member of our class website please check the Yes box below; and included the names and email addresses you would like to be a part of Shutter Site along with your child's name, if you do not wish to join the site please select the No box.
