### Hands-On Math

These children are learning about measurement! They are using blocks to measure their feet. This one activity teaches them about how to measure, counting and comparison. We know that children learn best when it is fun and they can actively participate. Look around our school for more ways that children are learning through doing!

**Sunday, October 30**

Join us at the Trick or Treat Festival!

St. Timothy Lutheran Church is hosting their annual festival. Come and enjoy food, bounce houses, games, candy and tons of fun!

### Picture Day Schedule

10/15—T1, T3, T5, P2, P4, P6 & P7

### Pumpkins and Story Time

On October 21st the children in the Toddler and Preschool classes will gather together to hear how carving a pumpkin is similar to how God cleans out all of the yucky stuff in us and gives us a light so that we can shine for Him! Each child will get a pumpkin to keep!

Halloween class parties will be held on Friday, October 29th. Children are welcome to wear costumes. Please do not send any weapons or accessories. Unfortunately, due to our current restrictions, no parents will be allowed to attend.

The children will participate in a costume parade at 9:30. They will gather goodies during the parade and start their class party as soon as they return to their classroom.

Sign up lists will be posted on your class Shutterfly page!
