Sunscreen and Bug Spray

It's the time of year when the sun is bright and the mosquitos are out! Please make sure you have provided containers of each labelled with your child's name. Teachers can only use the sunscreen that you provide on your child.

School Fundraising Funds

We are so thankful for all of your support at our fundraiser this year. We have been cleaning out and reorganizing our resource closet so that we can fill it with new learning materials for your children. There are already many new learning materials available to all of the classes and we are in the process of adding more. Thank you again!

Save the date! Vacation Bible School is coming to St. Timothy June 27th—June 30th. All children who attend in the summer will automatically be registered. If you do not attend school in the summer we would love to see you there!

Closing Program

Our closing program will be on May 24th at 6:00 p.m. Classes T1, T3, T5, P2, P7, P4 and P6 will participate. We hope to see you there!

Mother's Day

On Friday May 6th there will be a station at the front of the school for you to take a picture with your child at pick up. We hope you have a wonderful Mother's Day weekend!

Bright Beginners will be closed Monday, May 30th.

Classroom Spotlight: P2

We are working on building our fine motor skills for handwriting this year by playing with playdough and exploring in the sensory bin. We love rolling and squishing the play dough. The tweezers and scoops in the sensory bin help us with building our muscles that we use during handwriting and hand-eye coordination. Our best-loved activity in the block center is to make ramps for the cars. During circle time, we are beginning to learn our numbers and letters. Our favorite circle time activity are carpet games that reinforce our numbers, colors, shapes, and letters. In the garden we enjoy playing with the new kitchen and having picnics with our friends. When we are at the outdoor classroom, we love reading books and making ramps for the wooden balls. Our class is very social and loves to play with friends. We have grown emotionally this year too. When we see a friend that is hurt or sad we ask if they need a hug.
