

2023-2024

Dear Parents,

Our Bright Beginners Facebook page has been set up as a way for families to stay informed about upcoming events. We will also be using our Facebook page to post pictures of activities we do here at school. Although Facebook has become a popular avenue for families to stay connected with their child’s school, we also understand that not all families use it or find it beneficial as a method of communication. Our goal here is to respect your wishes when it comes to photos of your child being posted on Facebook.

Below is a consent form pertaining to the photos we take here at school. Please fill out this form completely so that we have an accurate record of your preference. We look forward to having more communication with our families and hope you find our Facebook page useful. To find our Facebook page type in: [www.facebook.com/Bright-Beginners-Preschool-and-Infant-Care](http://www.facebook.com/Bright-Beginners-Preschool-and-Infant-Care)

❖ Please note, at no time will we release the names of the children on our Facebook posts.
