This week in Chapel the children learned that Jesus wants us to trust in Him! They heard Mrs. Angie tell the story about Jesus calming the storm with help from Mrs. Kim and Pastor Alex. The disciples were scared of the storm and commanded the storm to stop.

Trust in Him at all times, you people; pour out your hearts to Him, for God is our refuge.

Psalm 62:8

We need your children's old clothes! If you have shorts that are size 2 -5 we would love to take them off your hands. Our supply of extra clothes has dwindled!

Go Texan Day

Mrs. Lanie and her class enjoyed playing carnival games on Go Texan Day! These games were not only a ton of fun, they worked on math skills, fine motor skills, gross motor skills, and teamwork. We loved seeing your children dressed up for this day!

Take a look into T9

T9 has had so much fun so far this year! They are learning and recognizing shapes and colors. We are counting to ten and starting to problem solve in the classroom. Their favorite things to do are hands on art, reading books, dancing and of course, going to the playground.

We can't wait to see how much more they will grow this year!
