Playground Renovations

We recently had some improvements made to our playgrounds! Both playgrounds had new sandboxes installed and the toddler playground has new musical instruments to explore! This is thanks to money that we raised at our fundraiser in March.

Popsicles and Play—Family Fun Night

We are looking forward to a fun evening of fellowship! Pizza and popsicles will be served. Join us on September 29th for dinner and fun activities at 6:00 in the pavilion! Scan the QR Code to RSVP.

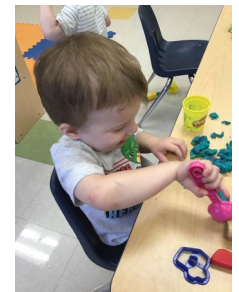

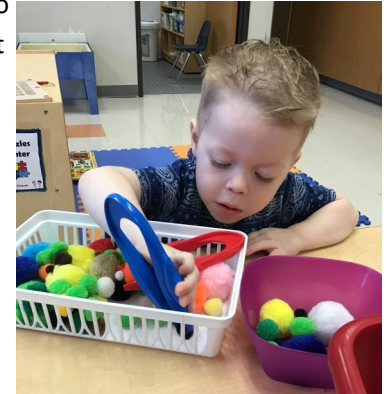

Classroom Spotlight: T3

The school year has gotten off to a great start, we are having a lot of fun in T3! We started the school year with our "All about me" theme. We learned about our bodies and our 5 senses. We have really enjoyed getting to have some messy sensory experiences like playing with shaving cream, finger painting and kinetic sand. Our class loves reading books at circle time. One of our favorite activities during center time is playing with play doh. We are looking forward to all that this school year has in store!

Do you have magazines?

If you have old magazines around your house we could use them for our classrooms! We use them for art activities, our writing centers and other plans throughout the school year. We would love to take whatever you have off your hands for our teachers to use. Please feel free to drop them off in the front office.
