Christmas Program

We are excited to get the Christmas season started with our Christmas program on December 7th at 6:00 p.m., in the gym. The children in rooms T1, T3, P5, P2, P7, P4 & P6 will be sharing the story of Jesus' birth. Please drop your child off in their classroom between 5:45-5:55. We will be serving cookies after the program. If you would like to donate cookies for this event, please drop them off in the front office anytime the week of the program. Please feel free to invite your families, we hope that you can make it!

Thank you to everyone who has signed up to provide a gift to a Small Steps' student. Please remember to have your gift wrapped, labeled with the child's first name and last initial and brought to the school by December 11th. If you would like to still give or want more information, be sure to check Kim's email!

Class Christmas Parties

On December 14th at 9:30 we will be celebrating Christmas in our classrooms. Teachers will send sign up lists through Brightwheel so that you can choose a way to contribute to the party. Each child should bring a wrapped book that is gender neutral to be exchanged. Parents are invited to join us for the party!

Classroom Spotlight: T1

The children in class T1 are growing so much academically! We have been involved in so many wonderful experiences so far, white coat ceremonies and investigating who took our cookies we are always ready for our next learning adventure. During circle time we are introducing Spanish and a few ASL signs. Our best-loved activity is opening our can of alphabet soup for the week! Our class is very social and loves to play with friends. From well wishes to friends leading us in prayer for our lunch, we love understanding and spreading God’s great love. We continue to excel daily and look forward to all of the fun we will have throughout the remainder of the year!

How was your day?

Do you ever struggle to get your child to talk to you about their school day? Here are some ideas of questions to ask your child that may help start a conversation.

- *Who did you play with during centers and what did you do?
- *Tell me about a book that you read today.
- *What is something that made you smile?
- *Did you try anything new today?
- *What was your favorite part of your day?
