Valentine's Day Parties

Class parties will be held on Wednesday, February 14th. We will begin at chapel and then continue our parties in the classroom. Be on the look-out for sign up genius links if you would like to provide something for your child's class.

Wear your western attire, such as jeans, cowboy boots, and cowboy hats in celebration of Go Texan Day. Friday, February 23rd!

Annual Preschool Fundraiser - Save the Date March 3

Each year we have a fundraiser to help support our school. The funds raised at this event go towards additional learning materials, curriculum updates and wish list items from our teachers. Please join us on March 3rd from 4 p.m. - 6 p.m. We will have live music, fun for the kids and dinner will be served!

We need your help! Do you own a small business or work for a company that would be willing to make a donation? We are looking for event tickets, items, services or gift cards that could be used as silent auction items to benefit our program.

Take a look into P5!

It's been a busy year in P5! Each Monday morning, we begin our week excited to find out which jobs we will all be responsible for within the classroom, including Line Leader, Caboose, Name Tag Helper, and Snack Helper. We have been practicing and

honing our fine motor skills such as pencil grip, drawing lines and curves, using scissors to cut along lines, tracing, and writing letters and our names. In just a few short months, we have been getting really good at these skills! Through Dramatic Play, we have become astronauts blasting off into space, paleontologists digging up dinosaur bones and fossils, baby caregivers, veterinarians, farmers, grocery store clerks, and elves working in a toy workshop. Science is a favorite subject for us and we have tested how polar bears stay warm, experimented with ramps, explored why, when it's daytime where we live, it is nighttime elsewhere in the world, and what happens when we dip dish soap into milk. A couple of our favorite activities have been making gingerbread men and then going on a hunt to find them after they escaped the oven and acting out Bible stories. It's amazing to look back to the beginning of the school year and realize how much progress we have made. It is exciting to witness the great strides we have made in our language development, social skills, independence, and cognitive development. We love to watch our friends grow and learn and are excited to continue to find new and engaging ways to teach them in the new year!
