Our annual fundraiser will be held on March 5th.

Do you own a small business or work for a company that would be willing to make a donation? We are looking for items, services or gift cards that could be used as silent auction items to benefit our program. Please email kim@stlhouston.org if you think you may have something to donate!

World Snowman Day

On January 18th we will have special activities for the children to enjoy. We are looking forward to celebrating the winter season in our classrooms!

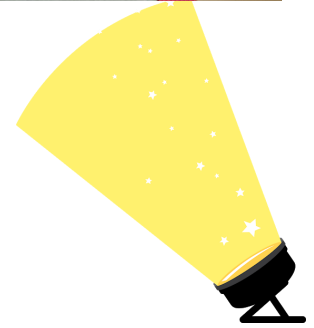

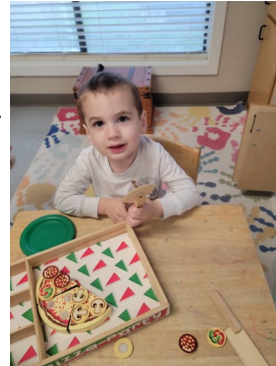

Classroom Spotlight: P7

In P7 we have been learning about our senses. The children had so much fun popping popcorn and using their five senses to describe the popcorn. Tasting it was their favorite part! Our class has already learned so much this year. We have been learning the names of different two-dimensional shapes, the names of letters and the sounds they make, as well as different concepts about numbers. I am excited to see how much more your children learn throughout the rest of the school year.
