A Peek at Preschool Progress in P4

Our year has been off to an amazing start in P4! We have been very busy learning correct pencil grip, letter sounds, and have been practicing writing capital letters. We have also been working on listening for rhyming words, and the kids get so excited when they hear a match! They have also been learning the parts of a book including the spine, author, and illustrator. The students love to recreate the stories we read in class like Goldilocks and the Three Bears and Sheep in a Jeep. With the autumn weather quickly approaching (hopefully!), we have been learning about fall fruits and vegetables. We even got to make Ms. Emily's grandma's Apple Crisp recipe during our Five Senses week. We are having so much fun; the time is flying by – it's hard to believe it's November! We look forward to celebrating with everyone at the Thanksgiving Feast, and we hope everyone had a safe and blessed Halloween!

small steps nurturing center

For the ninth year in a row, we will be children that attend Small Steps Nurturing Center, a preschool for at risk children in the Fifth Ward of Houston. This year we will collect gifts for 10 of their students so that they can experience the love of Jesus at Christmas time. We are so thankful for your generosity in years past and are looking forward to another year of blessing others. Please use the QR code to access the Sign-Up Genius list and choose what gift(s) you would like to provide. Once you purchase the item, bring it to the school, wrapped and labeled with the child's first name and last initial. You can also choose to have the gift delivered directly to the school and we will wrap it for you. If you choose to have the item shipped to us, please email shawna@stlhouston.org so that we know the gift will be arriving and who it is for. All gifts need to arrive by December 8th. If you have any questions, please contact Kim or Shawna.
